Class of 1995 - 25th Reunion Reunion Giving Opportunities

Tuition Benefit

We hope you will consider a gift to the *MICDS Class of 1995 Tuition Benefit Fund* in honor of your 25th reunion. Tuition Benefit or tuition remission is offered as part of a robust benefits package for employees at the top independent schools around the country and here in St. Louis. Tuition Benefit is critical to attracting and retaining the nation's best and brightest faculty, and allows MICDS to demonstrate its commitment to its valued teachers by welcoming their families to become fully engaged members of the School community. MICDS currently offers a 30% tuition remission for full-time faculty and staff with peer schools tuition remission averaging between 53% and 66%. Your 25th Reunion Class Gift will allow the School to compete nationally and retain the very strongest faculty and staff.

Ryan D. Seed Leadership Fund

Additionally, you may direct your reunion gift to the Ryan D. Seed Leadership Fund that was established at the time of your 15th Reunion. The Fund was created to honor Ryan's unique legacy at MICDS, supporting leadership and community outreach programs in conjunction with the School. This fund has continued to honor Ryan and enhance the MICDS community with its current valuation at nearly \$175,000.

MICDS Fund

As an independent school and non-profit organization, MICDS operates without financial support from the federal or state government. The School relies on tuition, endowment income and annual charitable contributions to meet the demands of an engaging curriculum and exceptional educational experience that goes above and beyond academics. Each year, the MICDS Fund contributes approximately six percent of all operating revenues to the School.

Enclosed is a custom pledge form with the opportunity to support the Class of 1995 Tuition Benefit Fund, the Ryan D. Seed Leadership Fund, the MICDS Fund, or all three of these funds. No matter what you are able to give, your generosity has a tremendous impact and is deeply appreciated!
